In the SAS+ content:

1. **Transition** is the transfer of responsibility and ownership of a program or organization from an international to a local entity.
2. ‘**Local organization**’ is used to refer to CSOs or NGOs in the Global South that is undergoing a process of transition.
3. ‘**Local actors**’ recognizes the diversity of this group, which can include communities, newly created NGOs or CSOs, NGOs that have devolved from an international federation, or local and national governments.
